 Sharing lots of shots online,
 And got a zillion likes for her
 expression and design.

She started taking selfies

Then, she talks with promoters of night clubs and theatres in the area. She arranges a famous singing group at the Swinging Inn Night Club near the hotel. She also talks with local bus tour representatives to schedule her group on a tour of sightseeing in the area with a local guide.

And also, she knows many people in the hospitality enterprises all over the country. These acquaintances are necessary because she must know who to contact to make travel, lodging, food service, recreation and entertainment arrangements.
