2nd Term Evaluation - 2025

Grade 8

Geography

Name :

Time : 2 hours

Part I

- Answers all the questions.
- Underline the most suitable answer.

01. The planet with highest gravitational force is,

- a) Jupiter
- b) Sadurn
- c) Urenus
- d) Mars

02. What is the Dwarf Planet,

- a) Mars
- b) Mureurry
- c) Jupiter
- d) Pluto

03. A south Asian Country,

- a) Cambodia
- b) Viatnam
- c) Bhuthan
- d) Japan

04. River indu is located in,

- a) Pakistan
- b) India
- c) Bangladesh
- d) Nepal

05. No. 54 map sheet of metric map of Sri Lanka is,

- a) Kegalle
- b) Gampaha
- c) Matala
- d) Kandy

06. Solar storms are occurred due to,

- a) Providing heat
- b) Reflect fire
- c) Occurrence of wind
- d) Firing the nearest gasses

07. Earth is divided into Time zones based n longitudes.

- a) 04
- b) 15
- c) 24
- d) 360

08. What is the most populous South Asian Country,

- | | |
|-------------|---------------|
| a) India | c) Bangladesh |
| b) Pakistan | d) China |

09. The country consist of several time zones.

- | | |
|---------------|------------|
| a) Sri Lanka | c) USA |
| b) Madagascar | d) England |

10. • Surface temperature 167°C

- The craters can be seen on the surface.

What is the planet with above features,

- | | |
|----------|------------|
| a) Venus | c) Mercury |
| b) Mars | d) Uenus |

- Check whether the following statements are true or false. Then circle “T” when they are true and circle “F” when they are false.

11. The diameter of earth is 1.4 million km. T / F

12. The Interval between two contours of a metric map is 20m. T / F

13. Caltech Astronomical institute is located in Russia. T / F

14. Latitudes are used to calculate standard time. T / F

15. Mumbai is famous as Bollywood in world. T / F

- Fill in the blanks using correct words.

16. The third largest planet in the solar system is

17. is known as star of dawn.

18. Phobos and dimos are the natural satellites of

19. There is an attractive set of rings around

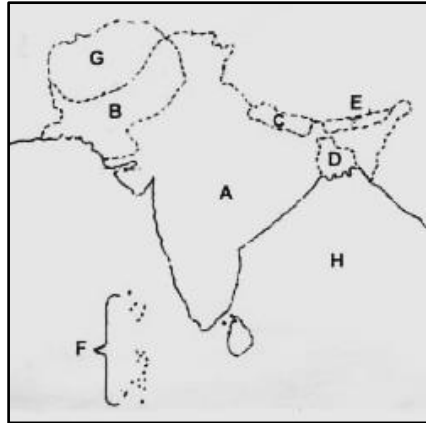

20. % of earth is covered by water.

Part II

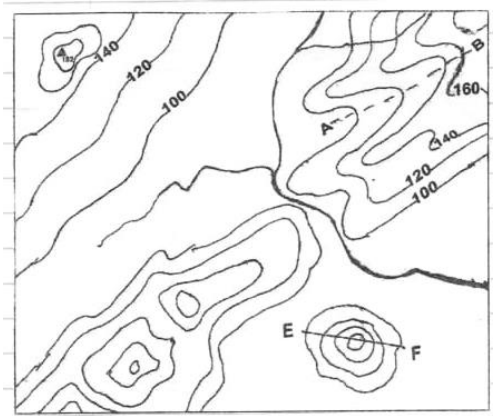

- Question No. 01 is compulsory.
- Answer 5 questions including first one.

1. 1) Name the countries and places indicated by English letters in given South Asian map

- A -
 B -
 C -
 D -
 E -
 F -
 G -
 H -

2) Answer the following questions in terms of given physical map.

- What is the physical feature indicated by A-B line.....
- What is the height of trigonometrical station?
- What is the feature indicate by E-F line
- What is the direction that the river flows?

2.

- Name three external plants
- Define dwarf planets
- Name 5 beliefs connected with solar system.

3.

- Name 3 basic gases can be seen in atmosphere of Earth.
- Write 4 uses of atmosphere.
- Explain 3 human activities that cause to air pollution.

4.

- i. Name two SAARC countries.
- ii. Name two tribal group living in Himalayan region.
- iii. a) Write 2 human activities of tribal groups living in Himalayan region.
b) Explain in brief the agricultural activities of tribal groups.

5.

- i. Write 2 results of rotation of Earth.
- ii. Explain rotation and revolution of earth.
- iii. a) There are a seasons on the Earth. Name 2 of them.
b) Write a short description about a season you have mentioned above.

6.

- i. Write the answers regarding the basic information of earth.
 - a) The distance between the sun and the earth.
 - b) The imaginary lines drawn on globe by connecting North Pole and South Pole.
 - c) Interm of 180° longitude is created.
- ii. Write 4 factors that affected to create a living habitat on the earth.
- iii. Mark following on a model globe.
 - a) tropic of cancer
 - b) tropic of Capricorn
 - c) equator
 - d) Artic circle
 - e) Antactic circle

7. Write short answers for following questions.

- i. The planet introduced as red planet.
.....
- ii. Write the name of a dwarf planet.
.....
- iii. Trees bear fruits in the season of
- iv. The natural satalite of Earth is known as
- v. The planets that are located beyond Astroid Belt are called
.....
- vi. Write a season that grow paddy in Sri Lanka
- vii. Write a basic product of fishing industry.
.....

- viii. The largest country of the world.
.....
- ix. Write a district with high temperature and high evaporation.
.....
- x. What is the mountain range that the Everest peak is located?
.....
- xi. Write the duration for rotation.
.....
